EXPERIENCE

2010 - 2017   **FREELANCE GRAPHIC, WEB, ILLUSTRATION, AND APPAREL DESIGN**
Graphic/web design, illustration, and client interaction

Solo and partner project-based design. One-on-one client interaction from scratch to completion, with interim work-in-progress reviews. Projects range widely across media; music, videos, logos, apparel, web.

2013 - 2015   **MEMLOOM**
Web coding, video production, and music production

A startup online storytelling service. Collaborated closely with project team members on overall design and implementation, while personal responsibilities included client-side coding (HTML5 and CSS3), video production, and music production.
